

RESOLUTION NO. 9-2016

**RESOLUTION AUTHORIZING EMERGENCY REPAIRS
TO THE DEHART STREET GARAGE**

ADOPTED: January 5, 2016

WHEREAS, a preliminary engineering review has determined that certain repairs are necessary to insure the safety, security and structural integrity of the DeHart Street Parking Garage; and

WHEREAS, Robert Weissenborn, of Desman Associates, the consulting engineers to the Morristown Parking Authority, has advised that such repairs are necessary to maintain the structural integrity of the DeHart Street Garage and such repairs should be made as soon as possible; and

WHEREAS, such repairs are a matter of public safety and welfare; and

WHEREAS, High Concrete Group, LLC was the fabricator of the concrete precast structure of the DeHart Street Parking Garage; and

WHEREAS, High Concrete Group, LLC, has been requested to provide such repairs to the weld joints and any other related work as may be determined necessary by Mr. Weissenborn; and

WHEREAS, the Executive Director advised the new incoming Chairperson Richard Tighe, of the nature of the emergency and the need for the invocation of emergent work and Chairperson Tighe was satisfied that an emergency exists and authorized the Administration to proceed with the services; and

WHEREAS, the Administration of the Morristown Parking Authority has determined that it is in the best interest to proceed with this work as soon as possible.

NOW THEREFORE, be it resolved by the Board of Commissioners of the Parking Authority of the Town of Morristown as follows:

1. The decision of the Administration of the Morristown Parking Authority to proceed with the work on an emergent basis is hereby ratified and approved.

2. The expenditure, in an amount not to exceed \$15,000 subject to final report to the Board of Commissioners, is hereby approved and authorized.

I hereby certify that the forgoing is a true copy of a resolution introduced and adopted by the Morristown Parking Authority at a meeting held on January 5, 2016.

DATED: January 5, 2016

, Secretary

EMAIL TO RICHARD TIGHE:

Dear Commissioner Tighe, as we discussed on Wednesday, December 23, 2015, an inspection of the DeHart Street parking garage on December 22, 2015 by Robert Weissenborn, of Desman Associates, the Morristown Parking Authority's consulting engineer, has resulted in the determination that certain remedial work should be undertaken by High Concrete Group, LLC to address certain weld joints in the DeHart Street Garage as soon as possible. We anticipate Board action at the January 5, 2016 meeting of the Board of Commissioners ratifying and authorizing the emergency work.
