1. Indicate location of tree(s) to be removed with picture or via drawing in diagram box below.

2. Reason for requested tree removal:

No public tree may be touched in any way without the approval of the Shade Tree Commission. Once the application has been received, the Town's certified NJ Arborist will assess the request and contact the requestor/property owner with any questions. Upon full review, a commission representative will inform you of the final decision. Any party wishing to come before the Shade Tree Commission may attend and speak at the beginning of the meeting. The Morristown Shade Tree Commission meetings are held *every second Tuesday at 7:00-8:30pm in room 201 of the Town Hall*. Please visit the town website at www.townofmorristown.org for meeting updates.
