STANDARD OPERATING PROCEDURES

SUBJECT: INTERNAL AFFAIRS

EFFECTIVE DATE: December 19, 2022

NUMBER OF PAGES: 40

ACCREDITATION STANDARDS: 1.3.1, 1.4.3a-e

BY THE ORDER OF: Darnell Richardson
Chief of Police

PURPOSE: The purpose of this written directive is to maintain a high quality of law enforcement services. Improving the relationship between employees and the public facilitates cooperation vital to the Bureau of Police's ability to achieve its goals. The Bureau of Police is committed to providing law enforcement services that are fair, effective, and impartially delivered. Employees are held to the highest standards of conduct and are expected to respect the rights of all citizens. The Bureau of Police must be responsive to the community by providing formal procedures for the processing of complaints regarding individual employee performance. An effective disciplinary framework permits Bureau of Police personnel to monitor employee compliance with Bureau of Police directives, assist employees in meeting Bureau of Police objectives, enhance performance, and permit managers to identify problem areas which require increased training or direction. Finally, this written directive shall ensure fundamental fairness and due process protection to citizens and employees alike.

POLICY: It is the policy of the Morristown Bureau of Police to accept and investigate all complaints of agency and employee's alleged misconduct or wrongdoing from all persons who wish to file a complaint, regardless of the hour or day of the week. This includes reports from anonymous sources, juveniles, undocumented immigrants, and persons under arrest or in custody. All allegations of employee misconduct shall be thoroughly, objectively, and promptly investigated to their logical conclusion in conformance with this policy, regardless of whether the employee resigns or otherwise separates from the agency. Discipline shall be administered according to the degree of misconduct. All employees, regardless of rank/title, shall be subject to disciplinary action for violating their oath and trust. Committing an offense punishable under the laws of the United States, the State of New Jersey, or municipality constitutes a violation of that oath and trust. Employees are also subject to disciplinary action for the willful or negligent failure to perform the duties of their rank or assignment. In addition, employees may be disciplined for violation of any rule or regulation of the Bureau of Police or for failure to obey any lawful instruction, order, or command of a superior officer or supervisor. Disciplinary/corrective action in all matters will be determined based upon the merits of each case. Investigators conducting the investigation of any allegation of misconduct shall strive to conduct a thorough and objective investigation respecting the rights of the principal, any other law enforcement officer, and all members of the public. Accordingly, any supervisor and any officer who may be called upon to conduct an internal investigation must be thoroughly familiar with the Bureau of Police's Internal Affairs policy.

This written directive has been developed in accordance with the revised New Jersey Attorney General Directive on Internal Affairs.

PROCEDURE:

I. DEFINITION OF TERMS/FORMS

- A. The following forms/reports shall be used in accordance with this written directive:
1. The Morristown Bureau of Police utilizes the Infoshare Internal Affairs Module to input and track all reported or initiated Internal Affairs matters, both Administrative and Criminal in nature.
 2. The Internal Affairs Module allows for the investigations to be recorded in a secure, stand-alone system, which will provide confidentiality and limited access to the Internal Affairs Unit.
 3. In addition to the Internal Affairs Module, the following reports shall be used:
 - a. Request for Extension of Investigation - This form shall be used to seek approval from the Chief of Police when additional time, beyond the thirty day period, is needed to complete the internal affairs investigations.
 - b. Investigation Plan - This form shall be used to develop an investigative plan prior to conducting internal affairs investigations.

 - 2) A summary of factual findings in which the investigator outlines the facts proven or supported by the evidence reviewed during the investigation, and applies those facts to each allegation. This shall include a conclusive finding on whether each allegation is to be recorded as exonerated, sustained, not sustained or unfounded. For sustained findings that qualify for disclosure, the summary of factual findings, along with the discipline imposed, should be the basis for the brief synopsis;
 - 3) A discipline imposed section in which the final discipline imposed on the principal will be recorded. This section should be completed once the discipline imposed becomes final.

If the conduct of a principal was found to be improper, the report must cite the agency rule, regulation, or SOP violated. B. **Reportable Incident:** is any behavior, performance, or non-performance that may violate Bureau of Police rules, regulations, procedures, applicable criminal and civil laws, and the United States or New Jersey Constitutions. All reportable incidents shall be carefully and thoroughly reviewed by the Internal Affairs Unit Commander to determine the manner of response that best serves the public, the Bureau of Police, and the employees. Reportable Incidents classified as misconduct will result in an internal investigation conducted in accordance with the New Jersey Attorney General's Internal Affairs Directive and this written directive. Reportable incidents include, but are not limited to the following:

1. A complaint that an employee has engaged in any form of misconduct, as defined in this written directive, whether on or off-duty;
2. An alleged violation of any of the Bureau of Police Rules and Regulations;

7. Criminal arrest of or filing of a criminal charge against an employee;
8. Allegation(s) that an employee is either an alleged perpetrator or victim of a domestic violence incident.

C. **Classification:** There are three classifications of a reportable incident. All reportable incidents shall be forwarded to the Internal Affairs Unit Commander to screen, record and classify the incident as one of the following (**See Figure #1**):

NOTE: All allegations of misconduct, whether criminal or administrative, regardless of the source of the allegation shall result in an internal investigation.

1. Criminal Misconduct - Reportable Incidents classified as criminal misconduct will result in immediate notification to the Morris County Prosecutor of the receipt of the complaint by the Internal Affairs Unit. No

further action shall be taken, including the filing of charges against an employee, until directed by the County Prosecutor.

- a. Criminal Misconduct is defined as a reportable incident where there is an allegation of a crime or an offense.
2. Administrative Misconduct - An incident may be classified as administrative misconduct in which case an investigation shall be conducted in accordance with this written directive.
 - a. Administrative Misconduct is defined as a reportable incident where there is a serious violation of Bureau of Police rules and regulations, written directive; or, conduct which adversely reflects upon the employee or the Bureau of Police.
 - b. Repeat performance deficiencies may be classified as administrative misconduct.
 3. Performance Deficiency - An incident which is classified as a performance deficiency shall be referred to the supervisor for addressing through non-disciplinary corrective actions, (corrective action shall be training or counseling only).
 - a. A performance deficiency is defined as a reportable incident of any minor rule infraction that can be addressed at the supervisory level of an employee. The Bureau of Police recognizes that not all reportable incidents constitute misconduct and certain reportable incidents are more effectively handled outside of the disciplinary process. Performance deficiency incidents **are not** internal affairs investigations and will be captured in Guardian Tracking.

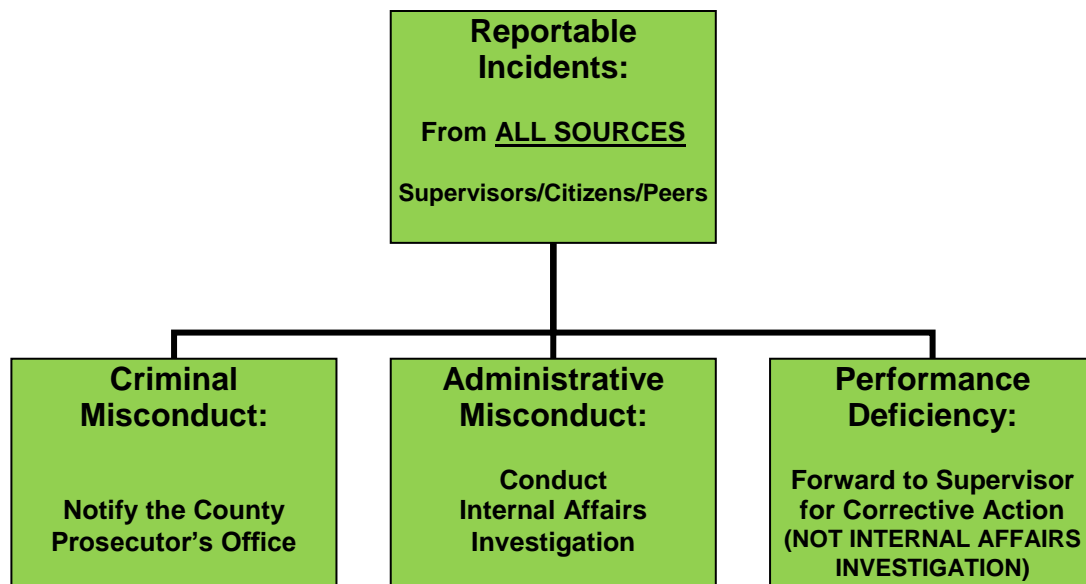

Figure #1 (Classification Process)

II. GUIDING PRINCIPLES

- A. The investigative process should seek to locate and identify all evidence available to either prove or disprove allegations made against an employee.
- B. With the exception of internal investigations that are part of an ongoing or potential criminal investigation, the majority of internal investigations are administrative in nature. Unlike criminal investigations where the burden of proof is beyond a reasonable doubt, the standard for administrative cases is a preponderance of the evidence.
- C. Also important is that strict rules of evidence and certain constitutional protections that apply in criminal cases do not attach to these investigations. In accordance with established case law, the investigator, reviewing authority and the Chief of Police can rely on types of evidence that would be inadmissible in a criminal proceeding provided there is some indication of reliability.
- D. Furthermore, unlike criminal investigations, certain specific legal protections that arise in employment & labor matters and in police discipline matters apply to employees subject to an internal investigation. These include rights and practices commonly referred to as Weingarten, Loudermill, and Garrity rights, as well as contractual rights or those based on state or federal statutes.
- E. Investigators and reviewers shall scrupulously adhere to the principles that all employees shall be afforded all rights to which they are entitled. At the same time, investigative and review personnel will also be aware of their obligations to determine the facts of each case utilizing investigative methods, which are consistent with acceptable practices in employee discipline cases.
- F. Internal Affairs investigations shall not rely solely on the outcome of related criminal matters or traffic matters. The conviction of a citizen complainant shall not be dispositive as to the citizen's complaint regarding the employee's conduct related to the incident. However, the court proceedings will be relevant and should be reviewed. Unless otherwise determined by the investigative plan, most cases involving a court action will require the collection and analysis of court records and transcripts of court appearances by the principal, complainant, or critical witnesses. The investigator should make every attempt to attend court proceedings, to monitor the progress/outcome of the case. As a monitor, the investigator need not notify the prosecutor, judge, or other court personnel of his/her presence and should not have any input in the proceedings.
- G. If a civilian signs criminal or traffic complaints, in addition to making an internal affairs complaint against an employee, a not guilty disposition of the court shall not automatically determine the outcome of the internal complaint. However, it will be relevant and part of the investigation.
- H. The investigator and reviewing authority shall consider that administrative charges have a different threshold of proof as well as less restrictive rules of evidence.
- I. As internal affairs investigators, a tendency to automatically grant more credibility to statements given by employees of the Bureau of Police and other law enforcement officials than to statements given by civilian complainants and witnesses must be carefully avoided. In certain situations where the credibility and

motive of the complainant is reasonably suspected, a credibility determination may be made as provided for in this written directive. However, investigators, unless otherwise authorized, will investigate the relevant facts of the allegations and not the background or motive of the complainant, unless relevant to the investigation.

- J. It is the policy of the Bureau of Police that personnel conducting internal investigations deal with complainants, witnesses, and principals in a professional manner. This includes being prepared for interviews, promptly responding to telephone calls, and handling all related contacts during an investigation to leave citizens and employees alike with the impression that a thorough, fair, and impartial investigation of the allegation(s) will be conducted.
- K. Discovery of additional allegations and identification of additional principals:
 - 1. In conducting investigations, the propriety of all conduct by the employee relating to the subject matter of the investigation shall be reviewed.
 - 2. If during the course of an investigation, the investigator has reason to believe that misconduct occurred, other than that alleged, the investigator shall:
 - a. Document the information on a New Principal/Allegation Identification Form and forward it to the Internal Affairs Unit Commander /Chief of Police to determine the appropriate response.
 - b. Unless otherwise directed, the investigator shall investigate the additional allegation to its logical conclusion.
 - 3. If during the course of an investigation, the investigator has reason to believe that another employee may have been involved in alleged misconduct and should be interviewed as a principal, the investigator shall:
 - a. Report the information on a New Principal/Allegation Identification Form to the Internal Affairs Unit Commander /Chief of Police, and await further instructions. Other aspects of the investigation should continue.
- L. The New Jersey Resiliency Program for Law Enforcement
 - 1. Under no circumstances, shall an officer face any type of discrimination or adverse internal affairs consequences for the sole reason that the officer decided to seek medical or psychological treatment for a mental health concern, including depression, anxiety, post-traumatic stress disorder, or substance use disorder.
 - 2. All officers are encouraged to take advantage of the resources provided by the New Jersey Resiliency Program for Law Enforcement, as well as the other resources identified in Attorney General Directive 2019-1.

III. INTERNAL AFFAIRS UNIT

internal affairs. Personnel assigned to the Internal Affairs Unit shall serve at the pleasure of and be directly responsible to the Chief of Police or designee.

 2. Officers assigned to the Internal Affairs Unit shall complete training as mandated by the Division of Criminal Justice.
 - a. Officers may attend additional training on internal affairs provided by the Morris County Prosecutor's Office and other sources.

The supervisor or commanding officer shall then prepare a report summarizing the matter, recommending the appropriate non-disciplinary corrective action within thirty (30) days of the receipt of the performance deficiency complaint.
- 3. The supervisor or commanding officer shall forward the completed investigation report to the Internal Affairs Commander for review and approval, and entry of the disposition in the Internal Affairs record keeping system within Guardian Tracking prior to the corrective action being taken. A copy of the completed investigation report along with all documents (i.e., reports, interviews, statements) shall also be forwarded to the appropriate Division Commander for approval/review.
- 4. After the finding and recommendation is recorded, the matter will be referred back to the employee's supervisor or commanding officer for the imposition of the non-disciplinary corrective action.

D. Interview Procedures

- 1. Preparation
 - a. All complainants, principals and witnesses shall be interviewed after careful preparation, including the review of the investigative file and all documents, evidence, and interviews conducted up until the interview. The investigator, in consideration of the investigative plan, should have pre-formulated goals to be accomplished with each interview.
 - b. **ALL PRINCIPAL AND WITNESS OFFICERS WHETHER ON OR OFF DUTY WILL SECURE THEIR WEAPONS PRIOR TO THE INTERVIEW. NO EXCEPTIONS TO THIS DIRECTIVE.**

2. Memorializing of the Interview

- a. The interview of the complainant, principal, and any other witness with critical information shall be documented or memorialized in one of the following ways:
 - 1) An audio-video recorded statement of the complainant and witnesses is the preferred method of documenting and memorializing information obtained through an interview. If an audio-video recorded statement is not practical, an audio recorded statement can be obtained. A synopsis of the recorded statement shall be included in the narrative of the Internal Affairs Investigation Report. Written statements can be taken at the direction of the Internal Affairs Unit.
 - 2) A summary of the substance of the interview will be incorporated into the body of the appropriate Internal Affairs Investigation Report.
 - 3) Sworn statements can only be obtained in relation to a matter involving a violation or an attempted violation of the criminal laws of the State of New Jersey (i.e., not in an administrative investigation). Audio or video recording of the statement offers certain advantages to the investigator and should be considered consistent with Bureau of Police policy and procedure.
 - 4) When conducting a criminal internal affairs investigation, the investigator will obtain an audio and video recorded statement of all principals. An audio and video recorded statement will also be obtained from all complainants and witnesses when practical.
 - 5) All audio and video recorded statements obtained during the course of a criminal internal affairs investigation shall be placed into the Internal Affairs Case File.
- b. Investigators must at all times remain cognizant that civilian witnesses who are not employees of the Bureau of Police cannot be compelled to provide a statement. It should be noted that during a criminal internal affairs investigation, a civilian witness may be subpoenaed to testify before a Grand Jury to provide factual information in connection with the criminal investigation. However, all reasonable efforts should be made to obtain a statement when warranted from non-Bureau of Police personnel in the order of priority as is listed above.
- c. All persons submitting to such a recorded or written statement, including the complainant, witnesses, and the principal(s) will, upon request, be provided with a copy of same by the investigator, unless by doing so, it could compromise the investigation.

- d. Audio and/or written statements shall be made attachments within the investigative file, unless the matter is criminal in nature. In that case, such evidence shall be handled in accordance with the Bureau of Police's policy regarding the handling of evidence in criminal matters.
 - e. All recorded statements will be summarized in the body of the appropriate Internal Affairs Investigation Report. When directed by the Internal Affairs Commander, the pertinent portions of the statement will be transcribed and the transcript itself will also be included as an attachment to the case.
 - f. The interview of any non-Bureau of Police person shall document the following identifiers:
 - 1) Full name;
 - 2) Address;
 - 3) Home Telephone;
 - 4) Race;
 - 5) Sex;
 - 6) DOB;
 - 7) SSN;
 - 8) Place of Employment;
 - 9) Work Telephone;
 - 10) Names of all persons present during interview;
 - 11) Date, time, and location of interview; and
 - 12) Further identifiers such as social security number or SBI or FBI numbers shall not be requested or utilized unless directly relevant to the investigation.
3. Secondary Investigator as a Witness
- a. The utilization of a second investigator as a witness to any interview or written statement is not required; however, it may be authorized in certain circumstances.
4. Legal Representation in Administrative Internal Affairs Investigations
- a. During the course of the administrative interview, an employee may be represented by a union representative of their choosing to include an attorney, so long as the availability of the attorney does not in any way hamper or impede the ongoing investigation. There is not a Sixth Amendment right in Administrative Internal Affairs

Investigations for principals and witnesses. If the investigation is criminal in nature and it appears that the employee's union representative may become a witness or principal in the investigation, the union representative shall be prohibited from attending the interview.

- b. Complainants and witnesses who are not employees of the agency cannot be prevented from having a legal representative present while being interviewed by investigators.

5. Interview of Complainant

- a. After the preparation detailed above, all efforts must be made to interview a complainant in person. Complainant interviews shall be conducted formally resulting in a statement secured in accordance with the provisions enumerated under Interview Procedures.
- b. The investigator shall arrange a convenient time and place, including by telephone (or TDD), to interview civilians for misconduct investigations. The investigator shall reasonably accommodate a civilian's circumstances to facilitate the progress of an investigation. This may include holding an interview at a location other than the Bureau of Police or at a time other than regular business hours.
- c. Formal interviews or statements of civilian complainants which take place over the telephone should be recorded, unless the witness objects to the recording.
- d. Investigators must treat the person being interviewed with dignity and respect, and demonstrate interest and concern in dealing with the complainant. Employees shall not attempt to dissuade any person from making a complaint. Employees shall conduct themselves as to facilitate the citizen's confidence in the internal investigative process.
 - 1) If the complainant is hostile, this should be reflected in the investigator's report. The investigator shall endeavor to obtain the factual basis for the complaint and any opinions expressed by the complainant. The investigator shall also endeavor to determine and identify the source of the complainant's factual knowledge.
- e. Complainants and witnesses shall not be questioned about any matters that are not directly relevant to the allegations of the investigation. Any questioning intended to challenge the credibility of a complainant or witness must be approved beforehand by the Internal Affairs Unit Commander. Investigators shall make every effort not to ask questions that may demean, ridicule, or cause embarrassment to the complainant.
- f. Questions must be carefully thought out and absolutely relevant to the investigation. Any questionable issues should be discussed

with and approved by the Internal Affairs Unit Commander before conducting the interview.

- g. Group interviews shall not be conducted.
- h. Complainants should be interviewed outside the presence of other complainants and witnesses. A parent, or adult relative or guardian in the absence of a parent, shall be present during the interview of a minor. In the event, a parent cannot be located; the investigator must document the efforts taken to contact same. If a civilian insists that another potential witness be present during an interview, the interview must continue with the potential witness present and the report must note the circumstances.
- i. Structure of Interview
 - 1) All complainant interviews, witness interviews and principal interviews should be recorded statements if the matter under investigation is criminal in nature.
 - 2) Complainants should be initially asked to explain in their own words, in detail, the facts forming the basis of the complaint. The investigator should then clarify any questions or issues regarding the complainant's statement.
 - 3) After the complainant has provided a statement, the narrative of the State Standardized Internal Affairs Complaint Form, recorded telephone complaint, or correspondence from the complainant should be reviewed with the complainant.
 - 4) The investigator shall seek to rectify or identify any discrepancies as well as identify any further investigative requirements.
 - 5) The complainant should be asked to identify any witnesses and state what they believe the witness may have knowledge of; turn over any evidence in their possession; and identify what other types of evidence they know.
 - 6) Every relevant fact known to the complainant should be identified and explored thoroughly.
 - 7) Issues identified in the Investigation Plan, should be addressed.
 - 8) In addressing the allegations, questions utilized in the basic investigative process, namely: **who, what, when, where, why, and how,** should be precisely addressed.
 - 9) The complainant and or witnesses have no automatic right to view any Bureau of Police video recordings. It shall be up to the discretion of the investigator, whether utilizing any

Bureau of Police video recordings during an interview will enhance or clarify the investigative process.

- 10) No body worn camera recordings will be released without the approval of the Morris County Prosecutor's Office approving the release, as they are the custodian for these files based on recent correspondence from them.
- 11) If a complainant refuses to be interviewed, or cannot be located or contacted, a letter should be immediately forwarded on Bureau of Police letterhead, via certified mail, authorized and signed by the Internal Affairs Unit Commander, advising that he/she should respond within ten (10) days or the investigation will proceed without his/her input.

6. Interview of Witness

- a. Every effort should be made to interview all witnesses. The full identity of the witness should be obtained. If the witness refuses to be interviewed, or cannot be contacted after a reasonable attempt to locate, a certified letter should be sent on Bureau of Police letterhead advising that witness should respond within ten calendar (10) days.
- b. Specific and detailed questions should be asked including: **who, what, when, where, why, and how** the incident or event occurred. The investigator should have a clear purpose in identifying relevant witnesses and selecting what questions to ask them. These issues should be established in the Investigative Plan.
- c. The aforementioned techniques outlined in the complainant interview should be applied to the interview of witnesses.
- d. Witness interviews shall be conducted formally resulting in a statement secured in accordance with the provisions enumerated under Interview Procedures.

7. Interview of Employees

- a. Generally, the interview of an employee is accomplished after the complainant and all witnesses are interviewed. However, this is determined by the character of the inquiry and remains a choice of the investigator. Such interviews are a critical step in the investigation and should be carefully planned. Investigators shall not accept a written statement from any employee in lieu of an interview.
- b. Employee interviews shall be conducted formally resulting in a statement secured in accordance with the provisions enumerated under Interview Procedures.

c. Employee as: **WITNESSES**

- 1) It is required that a formal audio recorded statement be taken from each employee considered a witness. Statements need not be transcribed, but must be summarized in the appropriate internal investigation report. The key elements of the statement may be transcribed if necessary. A sworn member who is considered a witness is entitled to union representation if he/she reasonably believes that he/she may be subject to disciplinary action as a result of the investigation.
- 2) Advise the employee that he/she is a witness, explaining the difference between a witness and principal.
 - a) A witness is a person reasonably believed to have information concerning the event under investigation, but whose own conduct is not the focus of the investigation.
 - b) A principal is a person whose conduct is the focus of the investigation.
- 3) Before any questioning takes place, the employee shall be apprised of the identity of the investigator conducting the interview, including his/her rank, name, and assignment. This notice shall also include the identity of all persons present during the interview.
- 4) The investigator may require the employee to submit a report detailing relevant facts in the investigation. If a report is required, the investigator will provide the employee with the background information regarding the nature and timeframe of the complaint. The employee should be encouraged to review any of his or her own reports. **(NOTE) Not to be used in lieu of an audio recorded statement.**
- 5) A formal statement will be obtained from the witness after he/she has been given their Witness Acknowledgment Form. The investigator shall further verbally confirm the employee's obligation for candor throughout an Internal Affairs Investigation, pointing out the specific provision of the Acknowledgment Form denoting such. If, during the interview, the status of an employee shifts from a witness to a principal, the employee shall be advised accordingly. The investigator shall contact the Internal Affairs Commander to secure permission to proceed. If approval is granted to proceed, the investigator will execute a Principal Acknowledgment Form. Upon completion of the interview, the investigator will complete a New Principal/Allegation Identification Form, and forward same to the Internal Affairs Commander for the purpose of updating the case. A copy of the completed form, incorporating all required endorsements

must be secured and submitted as an attachment to the investigation. This form will also be used to document perceived violations of policy and procedure not relevant to the complaint of the alleged misconduct being investigated.

d. Employee as: **PRINCIPAL**

- 1) No employee shall be designated a principal without the approval of the Internal Affairs Unit Commander.
- 2) Prior to interviewing any principal, the investigator shall confer with the Internal Affairs Commander to determine how the interview will proceed, including issues relating to Miranda and Garrity warnings. The investigator shall be aware of and familiar with the following points.
 - a) A public employer may ask that an employee answer questions specifically, directly and narrowly related to the performance of his/her official duties, on pain of dismissal if the employee refuses to answer. However, no adverse action for refusal to answer may be taken against an employee if the refusal to answer is based on an assertion by the employee of his or her Fifth Amendment right not to incriminate him/herself criminally. If the employer offers the employee the choice between giving incriminating answers or losing his/her job, that choice makes any answer compelled in violation of the Fifth Amendment. As a result, the answer cannot be used in a subsequent criminal proceeding. *Garrity v. New Jersey*, 385 US 493, 87 S. Ct. 616, 17 L. Ed. 2d 562 (1967); *Uniformed Sanitation Men Association v. Commission of Sanitation*, 392 US 280, 88 S. Ct. 1917, 20 L. Ed. 2d 1089 (1968), except in the situation where the employee is subsequently prosecuted for perjury or false swearing. An employer cannot force an employee to choose between surrendering a Constitutional Right or his/her job.
 - b) An employer can dismiss an employee for refusing to answer questions where the employee is granted use immunity for his/her answers, thereby removing the possibility of criminal self-incrimination. Silence can be the basis for a misconduct charge (administrative) only when there has been a prior explanation of the use immunity to which the employee's statements are entitled. Once use immunity has been granted, as a prerequisite to the imposition of discipline for refusal to answer, the employee must be clearly, unambiguously and expressly advised of the grant of use immunity and of the possible imposition of discipline, including

dismissal for a refusal to answer. *Banca v. Phillipsburg*, 181 N.J. Super. 109 (App. Div. 1981).

- c) A public employee has a duty to appear and testify, under pain of removal from Bureau of Police before any court, grand jury or the State Commission of Investigation on matters directly related to the performance of his/her duties (N.J.S.A. 2A:81-17.2a1). If the employee claims the privilege against self-incrimination after having been informed that his/her failure to appear and testify would result in removal from Bureau of Police, N.J.S.A. 2A:18-17.2a2 confers use immunity on the testimony and any evidence derived from it, except where the employee is subsequently prosecuted for perjury or false swearing while testifying. During a Bureau of Police investigation, where an employee is granted use immunity and still refuses to answer questions, the employer's sole recourse to compel a response is to impose discipline.
- 3) Each employee of the Bureau of Police is required to answer pertinent questions regarding the matter, which is the subject of investigation. All employees of the Bureau of Police are obligated to answer questions and provide full and complete information to the investigator(s) during internal investigations. Less than complete candor during any statement may lead to serious disciplinary sanctions, which may include suspension or termination.
- 4) The investigator shall not automatically provide the principal with the State Standardized Internal Affairs Complaint Form. Principals shall be advised of the specific nature of the complaint, the time period involved, any allegation(s) or violation(s) of rules, regulations, and orders involved, and if applicable, the name or names of the complainant(s) and/or witnesses, in writing. The addresses of the witnesses or complainants need not be disclosed.
- 5) In cases where these documents are shown to the principal, the investigator shall redact from the letter of complaint, State Standardized Internal Affairs Complaint Form, or any other relevant document provided to the principal during the interview, any information that may compromise the investigative process by providing same to the principal. Redacted documents utilized during the investigation for any purpose shall be properly referenced in any interview and included as an attachment to the Investigation Report.
- 6) As an employee of the Bureau of Police, the Weingarten Representative shall be advised of the obligation of confidentiality and the requirement not to discuss any information obtained during an interview with any other person. (Weingarten Rights)

- 7) The principal may produce records of his/her own or suggest names of witnesses he/she requests to be interviewed.
- 8) A formal electronically recorded statement will be obtained from the principal after he/she has been advised of their Administrative Advisement. The investigator shall further verbally confirm the employee's obligation for candor throughout an internal investigation.
- 9) The following guidelines will be followed when any representation is requested.
 - a) Any employee designated as a principal or witness, who reasonably believes that the investigation may result in disciplinary action against him/her, is entitled, upon request of the interviewee, to have a union representative accompany the interviewee to the interview.
 - b) Any employee who is a potential principal or witness in the investigation may not act as a Weingarten representative.
 - c) The exercise of the interviewee's right to a union representation may not interfere with the investigation. However, a reasonable period of time should be allowed for the representative to appear for the interview.
 - d) Although the interviewee is entitled to the representative of his/her choosing, any union representative or other person designated by the union will satisfy the representation requirement. For additional guidance on interviewee representation, refer to the current version of the NJ Attorney General's IAPP.
 - e) The principal and his/her representative shall be informed of the subject matter of the investigation and given a reasonable period of time to confer prior to the interview. The union representative may be present during the interview, and once the interview has begun, they may not leave the room for purposes of further consultation. If the principal refuses to make a statement or answer any questions, he/she will be informed that such refusal may result in discipline/dismissal and the interview shall be terminated.
 - f) The investigator shall not negotiate with the representative. The representative may be permitted to clarify facts or make suggestions (e.g., other

potential witnesses) after the investigator's questioning of the principal. The investigator is free to insist that he/she is only interested in hearing the interviewee's own account of the matter under investigation. In other words, the representative shall not be permitted to answer for the principal or conduct his or her own interview.

- 10) The interview shall be conducted at a reasonable hour in a non-coercive manner, without threat or promise of reward, and preferably when the employee is on duty. No "off the record" questions will be asked and no "off the record" statements will be permitted. If the urgency of the investigation requires that the employee is questioned while off duty, such time will be recorded and treated as hours worked in accordance with the collective bargaining agreements, where applicable.
- 11) The interview shall be conducted at a location designated by the investigator, usually at Morristown Police Headquarters.
- 12) The questioning shall be of a reasonable duration and rest periods allowed. Time shall be provided for personal necessities, meals, and telephone calls as are reasonably needed.
- 13) If at any time during the questioning session the employee becomes a suspect in a criminal act, the employee shall be so informed and advised of their Constitutional Rights. In the event the employee waives his rights, the interview can continue. Use Immunity can only be granted by the Morris County Prosecutor or his/her designee. No investigator is to offer a principal Use Immunity without first having obtained the approval of the Morris County Prosecutor or his/her designee. If Use Immunity is given to the principal, the investigator will utilize the Morristown Bureau of Police Use Immunity Grant Advisement Form "Garrity Warning."

E. Investigative Avenues

1. Physical Evidence

- a. Investigators should obtain all relevant physical evidence. All evidence, such as clothing, hair or fabric, fibers, stains and weapons should be handled according to established evidence procedures.
- b. With respect to an audio file, they should be secured at the outset of the investigation. Transcripts or copies of the original recordings can be used as investigative leads. Audio files should be monitored to reveal the totality of the circumstances.
- c. Statements from all parties.

2. Photographs

- a. In the event of a complaint involving excessive force, the following photographic documentation shall be obtained when appropriate. Whenever possible, color photography shall be used.
 - 1) Photographs of the complainant at the time of arrest or following the alleged incident of excessive force.
 - 2) Photographs of the principal in the event that employee was a victim.
 - 3) A recent photo of the employee in the event a sequential photo display will be used for identification purposes. The photo display must be conducted in accordance with the New Jersey Attorney General's guidelines and retained for possible evidentiary purposes.
 - 4) Photographs of the scene of the alleged incident, if necessary.

3. Physical Tests

- a. Principals may be compelled to submit to various physical tests or procedures to gather evidence. Such evidence may be used against them in disciplinary proceedings.
- b. No person has a constitutional right or privilege to refuse to submit to an examination to obtain a record of their physical features and other identifying characteristics of their physical or mental condition. Evid. R. 503(a). Evidence that may be obtained or procedures that may be used to obtain evidence under this rule include:
 - 1) Breath samples;
 - 2) Blood samples;
 - 3) Buccal Swabs;
 - 4) Requiring employee to speak;
 - 5) Voice recordings;
 - 6) Participation in suspect lineups;
 - 7) Handwriting samples;
 - 8) Hair and saliva samples;
 - 9) Urine analysis;
 - 10) Videotaping;

11) Field sobriety tests.

- c. Generally, a person cannot be physically forced to produce this or other evidence or submit to such tests, although a court order may be obtained to legally compel them to do so. Refusal to comply with the order can result in additional criminal, civil, and/or administrative sanctions.

4. Polygraphs

- a. While an employee who is the subject of an internal affairs investigation may request a polygraph examination, an employer shall not influence, request or require an employee to take or submit to a polygraph examination as a condition of employment or continued employment (N.J.S.A. 2C:40A-1).
- b. An employee cannot be required to submit to a polygraph test on pain of dismissal. Engel v Township of Woodbridge, 124 N.J. Super. 307 (App. Div. 1973).
- c. If a polygraph is used, the test must be administered by a qualified police polygraph operator.

5. Search and Seizure

- a. As a general rule, the Fourth Amendment applies to any action taken by the government. Law enforcement officers have the right, under the Fourth Amendment, to be free from unreasonable searches and seizures. Fourth Amendment warrant requirements apply to any search of an office, employee's personal property including clothing, car, home or other belongings to include any computer or digital recordings.
- b. A voluntary consent to a search may preclude some Fourth Amendment problems from developing. A consent search eliminates the need to determine what threshold standard must be met before conducting the search or seizure, either for an administrative or criminal investigation. Under New Jersey law, for consent to be legally valid, a person must be informed that he/she has the right to refuse to permit a search. State v. Johnson, 68 NJ 349 (1975). If a consent search is utilized, the investigator shall follow standard police procedures and have the principal sign a consent to search form after being advised of the right to refuse such a search and to be present during the search, unless they waive this right.
- c. In a criminal investigation, the standard to obtain a search warrant is probable cause. Generally, a search warrant should be sought to search an area belonging to the principal when the employee maintains an objective expectation of privacy in that area. Areas and objects in this category include but are not limited to the employee's home, personal car, safe deposit boxes and personal computers. Agency supplied equipment and property is never considered personal property of the employee.

- d. Generally, during either administrative investigations or criminal investigations, workplace areas may be searched without a search warrant. The critical question is whether the public employee has a reasonable expectation of privacy in the area of property the Internal Affairs investigator wants to search. The determination of a reasonable expectation of privacy must be decided on a case-by-case basis. There are some areas in the person's workplace where this privacy expectation can exist just as there are some areas where no such expectation exists. Areas where supervisors or other employees may share or go to utilize files or equipment would present no expectation of privacy or a diminished expectation of privacy. Included here would be government provided vehicles, filing cabinets, agency computers, etc.
- e. Agency property includes but is not limited to: computers, lockers, phones, agency vehicles, desks/offices/workstations, filing cabinets and any other agency equipment remains the property of the Morristown Bureau of Police and is subject to entry and inspection without notice at any time and without a search warrant.
- f. If a criminal investigation, prior to a search or confiscation of any agency issued property, approval must be obtained from the Morris County Prosecutor or his/her designee.
- g. Any search of agency or personal property should be conducted in the presence of another agency employee, preferably a Superior Officer, and should be properly recorded.

VII. REPORTING

- A. Upon completion of all possible avenues of inquiry, the Internal Affairs Unit investigator shall complete all reports.
 - 1. The reports will be submitted to the Internal Affairs Unit Commander for approval on a regular basis so as to keep the case current at all times.
 - 2. Within ten (10) calendar days of being assigned to conduct an internal investigation, the case investigator must complete an Internal Investigation Report and submit same for approval to the appropriate Internal Affairs Unit Commander. The report must include:
 - a. Documentation that the complainant has been contacted by the investigator to advise them of their assignment as the case investigator and to arrange a meeting to conduct an interview. If the investigator is unable to contact the complainant, the report must reflect that the appropriate certified ten (10) day letter, endorsed by the Internal Affairs Unit Commander or Chief of Police, has been mailed to the complainant.
 - b. Documentation that the case investigator has contacted the principal(s) and informed them of the nature of the complaint against them.

- c. An analysis of the allegations to be addressed by the investigation, linked to specific provisions of the Rules and Regulations, and/or any guidelines that govern the behavior of employees of the Bureau of Police.
 - d. Any Supplemental Internal Investigation Report will be submitted on a regular basis to document the investigative process on all internal investigations wherein investigative activity took place during that period. For the purposes of this written directive, the term regular basis shall be interpreted to mean at least every ten (10) calendar days, unless the Internal Affairs Unit Commander waives this requirement.
3. All approved original reports will be maintained by the investigator until the investigation is concluded at which time the complete case file will be submitted to the Chief of Police through the Internal Affairs Unit Commander.

B. Report Flow

1. The investigation should be completed and all reports prepared within **thirty (30) calendar days** of being assigned. Authorization for additional time to complete investigations must be received from the Chief of Police, in accordance with the investigation extension procedure.
2. The investigator, upon completion of the report, shall forward it directly to the Internal Affairs Unit Commander, who will forward it to the Chief of Police.
 - a. This report will be an objective recounting of all the relevant information the investigation disclosed, including statements, documents and other evidence. Such report shall contain a complete account of the investigation.
3. The Internal Affairs Unit Commander will review the case and make recommendations to the Chief of Police regarding discipline.
4. The Chief of Police, upon receipt of the recommendation, will review the matter and make the final determination or return the case for further investigation.
5. Once the Chief of Police is provided with "sufficient information" to file a charge, the Chief of Police has forty-five (45) days to do so. (N.J.S.A 40A:14-147).
6. In all cases, a letter shall be sent to the complainant explaining the outcome of the investigation. If the allegation was unfounded or the employee was exonerated, this conclusion shall be stated and defined for the civilian complainant. If the allegation was not sustained, the letter shall provide the complainant with a brief explanation why the complaint was not sustained (e.g., insufficient proof, lack of witnesses, etc.). If the allegation was sustained and discipline was imposed, the letter shall simply state that the allegation was sustained and that the employee has been disciplined

according to Bureau of Police procedures. It is not necessary to specify the discipline imposed

7. Whenever a final determination is reached in an internal investigation, the employee(s) involved as a principal(s) shall be notified in writing by the Chief of Police of that determination.
8. If discipline is imposed, a record of such discipline, not including the investigation report or attachments, shall be placed in the employee's personnel file.

C. Internal Investigation Plan

1. The case investigator shall meet with the Internal Affairs Unit Commander within five (5) business days of being assigned to conduct the internal investigation, to discuss and formulate an investigative plan.
2. Thereafter the case investigator will complete an Internal Investigative Plan, and submit same for approval prior to the conclusion of the meeting. When approved by the Internal Affairs Unit Commander, the plan will be maintained and secured in the case jacket dedicated to that investigation.

D. Internal Investigation Allegations and Conclusion Report

1. At the conclusion of the investigation, the investigator will prepare allegations and conclusions.
2. The allegation will set forth, in narrative form, the alleged misconduct and be linked to the specific provision of the Rules and Regulations and/or directive purportedly violated.
3. The conclusion reached by the investigator, based upon the facts developed in his/her investigation, will fall into one of the following four (4) dispositions.
 - a. Sustained - A preponderance of the evidence shows an officer violated any law; regulation; directive, guideline, policy, or procedure issued by the Attorney General or County Prosecutor; agency protocol; standard operating procedure; rule; or training.
 - b. Unfounded - A preponderance of the evidence shows that the alleged conduct did not occur;
 - c. Exonerated - A preponderance of the evidence shows the alleged conduct did occur, but did not violate any law; regulation; directive, guideline, policy, or procedure issued by the Attorney General or County Prosecutor; agency protocol; standard operating procedure; rule; or training. (For example, at the conclusion of an investigation into an excessive force allegation, the agency finds that the officer used force (alleged conduct) but that the force was not excessive (alleged violation).)
 - d. Not Sustained - The investigation failed to disclose sufficient evidence to clearly prove or disprove the allegation.

4. The conclusions should be written in paragraph form wherein each piece of evidence that is relied upon in order to reach the conclusion found is individually numbered.
5. These individual paragraphs should be in sufficient detail that standing alone they provide a concise synopsis of the investigation and its findings.
6. These individual paragraphs should be footnoted to the source attachment used in formulating the paragraph.
7. The final paragraph in the allegations and conclusions should encompass verbiage that reads, in effect; "that based upon the preponderance of evidence accumulated in the investigation it is concluded that:
 - a. There is insufficient evidence that <Officer/Employee> did <alleged behavior>.
 - b. The allegation that <Officer/Employee> did <alleged behavior> is unfounded.
 - c. The allegation that <Officer/Employee> did <alleged behavior> is substantiated.
 - d. The investigation exonerates <Officer/Employee> of the allegation of <alleged behavior>.

E. Internal Affairs Investigative Review Sheet

1. Upon the conclusion of all internal investigations, the investigator will generate an Internal Investigation Review Sheet, which will accompany the submitted investigation.
2. The Internal Investigation Review Sheet will accompany the case as it progresses through the review process and be completed by each supervisor reviewing the case.
3. When the supervisory reviews of the case are ultimately concluded, the Internal Investigation Review Sheet will be maintained and secured in the case jacket. This report may be hand-written by the reviewer.

F. New Principal/Allegation Identification Form

1. During the interview, if the status of an employee shifts from a witness to a principal, the employee shall be advised accordingly. The investigator shall contact the Internal Affairs Unit Commander/Chief of Police to secure permission to proceed.
2. If approval is granted to proceed, the investigator will complete a New Principal/Allegation Identification Form and forward same to the Internal Affairs Unit Commander, for the purpose of updating the case. A copy of the completed New Principal/Allegation Identification Form, incorporating all required endorsements, must be secured and submitted as an attachment to the investigation.

3. This form will also be used to document perceived violations of written directives not relevant to the complaint or the alleged misconduct being investigated.

G. Request for Extension of Investigation

1. Exceptions to the thirty (30) calendar day requirement to complete all internal investigations may be granted only in the following cases:
 - a. The investigation is pending criminal prosecution.
 - b. The investigation is undergoing a prosecutorial review to determine if the matter will be prosecuted criminally.
2. This form must be submitted to the Chief of Police through the chain of command or for approval as soon as any of the foregoing criteria is met.
3. The completed form, including all required endorsements, must be submitted as an attachment to the investigation.
4. If investigators are unable to complete an internal affairs investigation within thirty (30) calendar day of receiving a complaint, they must notify the Chief of Police on or about the 30th day. In such situations, the Chief of Police should seek to identify the reasons for the extended investigation and whether the Internal Affairs Unit requires additional resources or oversight to complete the inquiry in a prompt manner.
 - a. In addition, the Chief of Police should ensure compliance with the "45-day rule" established by N.J.S.A. 40A:14-147.
5. Investigators are required to provide further notice to the Chief of Police every additional 45 days that the internal affairs investigation remains open (*i.e.*, on or about the 90th, 135th, and 180th days from the receipt of the complaint), and the Chief of Police should exercise increasing scrutiny of the investigators' work the longer the case remains open.
6. In the rare cases where the Bureau of Police has not filed disciplinary charges (or decided not to do so) within 180 days of receipt of the complaint, the Bureau of Police must notify the Morris County Prosecutor.
 - a. The Morris County Prosecutor, or their designee, shall investigate the reasons for the extended investigation and shall also examine whether the Bureau of Police's Internal Affairs Unit faces any systemic issues that require additional resources or oversight.
 - b. The Morris County Prosecutor may take any steps necessary to ensure prompt resolution of the pending matter, including supersession of the Bureau of Police's investigation.
 - c. The Morristown Bureau of Police shall provide further notice to the Morris County Prosecutor every additional 90 days that the investigation remains open (*i.e.*, on or about the 270th and 360th days from the receipt of the complaint).

1. A Performance Notice shall be used when the performance deficiency warrants a corrective action of training or counseling.
 2. The supervisor issuing a Performance Notice (counseling, or training) shall complete the entry within Guardian Tracking.
 3. The employee shall be advised of the corrective action by the issuing supervisor and acknowledge receipt in Guardian Tracking. The Internal Affairs Unit Commander shall review the entry and the documentation shall be retained in the system.

 3. Upon approval of the Reprimand Notice, the employee shall be advised of the corrective action by the issuing supervisor and acknowledge receipt in Guardian Tracking. The Internal Affairs Unit Commander shall ensure receipt.
- J. Formal Charge:
1. If the complaint is sustained, and it is determined that formal charges should be preferred, the Chief of Police or designee shall direct the Internal Affairs Supervisor or designee to prepare the appropriate Notice of Disciplinary Action Form, sign, and serve charges upon the principal.
 - a. A Notice of Minor Disciplinary Action Form (DPF-379) shall be used for requested discipline that could result in discipline exceeding a written reprimand, but less than a six day suspension.
 - b. A Preliminary Notice of Disciplinary Action Form (DPF-31A) shall be used for requested discipline that could result in discipline exceeding a 5 day suspension.
 2. The Notice of Disciplinary Action Form shall direct that the employee charged must enter a plea of guilty or not guilty, in writing, on or before the date set forth in the notice for entry of a plea. The date will be listed on the notice and must provide a reasonable time, at least 5 days after the date of service of the charges to enter a plea and request a hearing, if applicable.

- a. If the employee charged waives a hearing and enters a plea of guilty, the Chief of Police shall permit the employee to present factors in mitigation prior to assessing a penalty.
3. At the conclusion of fact and the penalty imposed, the DPF-379/DPF-31B will be placed in the employee's personnel file after he or she has been given an opportunity to read and sign for each disciplinary action. Internal Affairs will cause the penalty to be carried out and complete all required forms. Note: The **Final Notice of Disciplinary Action form 31B** must be filed within 20 days of disposition.

VIII. HEARINGS

- A. The hearing shall be held before the appropriate authority or the appropriate authority's designee. In accordance with N.J.S.A. 40A:14-148, except as otherwise provided by law, the officer, board or authority empowered to hear and determine the charge or charges made against an employee of the Bureau of Police, shall have the power to subpoena witnesses and documentary evidence. The Superior Court shall have jurisdiction to enforce any such subpoena.
- B. All disciplinary hearings shall be closed to the public. However, the employee may request an open hearing. The appropriate authority or the appropriate authority's designee shall conduct a closed hearing unless a legitimate reason exists to grant the employee's request for an open hearing. The hearing date will be set on the **Notice of Disciplinary Action form**.
- C. The appropriate authority or the appropriate authority's designee will fix punishments that are deemed appropriate under the circumstances in accordance with the Rules and Regulations. (Reference N.J.A.C. 4A: 2-2.2, N.J.A.C. 4A: 2-2.4, N.J.A.C. 4A: 2-3.1, and N.J.S.A. 40A: 14-147).

- E. A copy of the decision or order and accompanying findings and conclusions shall be delivered to the employee who was the subject of the hearing.

IX. CONFIDENTIALITY

- A. The progress of internal affairs investigations and all supporting materials are considered confidential information. Upon completing a case, the Internal Affairs Unit will enter the disposition in the Internal Affairs record keeping system.
- B. The Morristown Bureau of Police shall protect and maintain the confidentiality of all internal affairs records against the agency or employees. These records shall be in a designated secure area accessible only to the Chief of Police, Internal Affairs Unit Commander and others as authorized by the Chief of Police.
- C. The information and records of an internal investigation shall only be released under the following limited circumstances:

1. If administrative charges have been brought against an employee and a hearing will be held, a copy of all discoverable materials shall be provided to the employee and the hearing officer before the hearing.
 2. If the principal, agency or municipality has been named as a defendant in a lawsuit arising out of the specific incident covered by an internal investigation, a copy of the internal investigation reports may be released to the attorney representing the principal, agency or jurisdiction.
 3. Upon request or at the direction of the Morris County Prosecutor or New Jersey Attorney General.
 4. Upon a court order; or
 5. Upon a request from the Division of Pensions, following an officer's application for a retirement allowance.
- D. The Chief of Police may authorize access to a particular file or record for good cause. The request and the authorization shall be in writing, and the written authorization shall specify who is being granted access, to which records access is being granted, and for what time period access is permitted. The authorization shall also specify any conditions (i.e., the files may be reviewed only at the internal affairs office and may not be removed). In addition, the law enforcement executive may order any redactions in accordance with the current IAPP. The Chief of Police should grant such access sparingly, given the purpose of the internal affairs process and the nature of many of the allegations against officers. As a general matter, a request for internal investigation case files may satisfy the good cause requirement:
1. If a Civilian Review Board that meets certain minimum requirements requests access to a completed or closed investigation file, subject to the conditions described in this section; or
 2. If another law enforcement agency requests the files because it is considering hiring an officer who was formerly employed at the agency with the internal investigation files.
- E. The *Internal Investigation Allegations and Conclusions Form* shall be released in response to a request made under the common law right of access by any member of the public or press where it satisfies any of the following conditions:
1. The *Internal Investigation Allegations and Conclusions Form* led to a result on or after January 1, 2023, that requires disclosure pursuant the current IAPP;
 2. The agency otherwise concludes that the *Internal Investigation Allegations and Conclusions Form* is subject to release pursuant to applicable law or court order; or
 3. Upon the request or at the direction of the County Prosecutor or Attorney General at any time.

- F. When an agency concludes that an *Internal Investigation Allegations and Conclusions Form* is subject to disclosure, it shall redact the following before disclosure:
1. The names of complainants, witnesses, informants, victims and cooperators, in addition to information that could reasonably lead to discovery of their identities;
 - a. In instances of domestic violence, in addition to redaction of the victim's name, all reference to the specific nature of the qualifying relationship should also be redacted to protect the identity of the victim. For example, if the victim is an intimate partner, terms such as "spouse," "partner," "girlfriend," "boyfriend," "husband," or "wife," should also be redacted, and to the extent possible the report should just indicate that the relationship between the victim and the officer was an enumerated relationship under the Domestic Violence Act (*N.J.S.A. 2C:25-17 et seq.*).
 2. Non-public, personal identifying information about any individual named in the report, such as their home addresses, phone numbers, dates of birth, social security numbers, familial relationships, etc.;
 3. Medical information or history, including but not limited to, mental health or substance abuse services and drug or alcohol evaluation, counseling or treatment;
 4. Information regarding any criminal investigation or prosecution that is not already contained in a public filing, or any information that would impede or interfere with a pending criminal or disciplinary proceeding;
 5. Any records or material prohibited from disclosure by law;
 6. Juvenile records;
 7. Any information which is the subject of a judicial order compelling confidentiality;
 8. Any other information that would violate a person's reasonable expectation of privacy; and
 9. Any information regarding law enforcement personnel, procedures, or resources that could create a risk to the safety of any person, including but not limited to law enforcement personnel.
- G. Whenever a law enforcement officer makes an application to the New Jersey Division of Pensions for retirement benefits, in anticipation of upcoming retirement and the receipt of a pension, both the department and the officer shall have an affirmative obligation to report to the Division of Pensions the existence of any pending internal affairs investigation, complaint or case, including those on appeal, as well as any criminal charges.
- H. Agencies may receive subpoenas directing the production of internal affairs investigative records. Before responding to the subpoena, the Chief of Police

should consult with the Bureau of Police's legal counsel or County Prosecutor's Office to determine whether the subpoena is valid.

- I. If the release of internal affairs documents is appropriate, the agency should inventory the reports they are releasing and obtain a signed receipt.
- J. Subpoenas for Employee's Personnel/Internal Affairs Files
 - 1. In matters that involve criminal and/or civil actions resulting from an internal affairs case, the Bureau of Police shall **NOT** release any information in response to the subpoena without first contacting the Assistant Prosecutor to whom the matter has been assigned by telephone and in writing. All such contact shall be noted in the internal affairs report.

X. INTERNAL AFFAIRS FILES

- A. A separate Internal Affairs file system shall be maintained in a secured file cabinet. Personnel records are separate and distinct from Internal Affairs records. Internal Affairs Investigation Reports shall not be placed in an employee's personnel records file.
 - 1. When a complaint has a disposition of exonerated, not sustained, or unfounded, there shall be no indication in the employee's personnel file that a complaint was ever made.
 - 2. When a complaint has been sustained, only the disciplinary action imposed shall be filed in an employee's personnel file.
- B. The Guardian Tracking System shall contain all investigative files resulting from Internal Affairs complaints and the original copy of the following reports:
 - 1. Vehicular Pursuit Reports;
 - 2. Use of Force Reports;
 - 3. Firearm's Discharge Reports.
- C. Selection and Hiring
 - 1. In addition to the requirements of the selection process, background investigations must include a review of the prior internal affairs files of any law enforcement candidate.
 - 2. If the Morristown Bureau of Police has reason to believe that a candidate for employment was previously a sworn officer of another law enforcement agency, the Morristown Bureau of Police has an affirmative obligation to identify all such former employers. The Morristown Bureau of Police shall then request all internal affairs files for cases where the candidate was the principal, regardless of the ultimate disposition or status of the complaint.
 - a. If requested, the Morristown Bureau of Police shall provide a written acknowledgement to the releasing agency that it will maintain the confidentiality of said files in accordance with this policy.

3. If the Morristown Bureau of Police receives such a request regarding a former employee, then it shall immediately share copies of all internal investigative information related to that candidate with the hiring agency, in accordance with N.J.S.A. 52:17B-247. Confidential internal affairs files shall not be disclosed to any other party.
 4. The Chief of Police retains the authority to defer a decision on hiring a particular candidate until all extant internal affairs information has been received and reviewed.
- D. Investigative records created during an Internal Affairs Investigation are included in the "Records Retention and Disposition Schedule for Local Police Departments" and shall be maintained as such.

XI. COUNTY PROSECUTOR

- A. The Morris County Prosecutor is responsible for conducting substantive oversight to ensure that the Internal Affairs Unit of the Morristown Bureau of Police is operating professionally and effectively.
