- I. Approval of Minutes for June 4, 2019
- II. Open Public Session
- III. **New Business** – Chairperson Denman to report on the Office of the Mayor & Business Administrator:
 1. Provide an update on follow-up with NJ Transit on behalf of the MEC pursuant to initiate guidance & support from NJ Transit on the Federal Grant awarded to Morris County that has been stymied thus far “**Greater Morristown Greenway along Patriots Path Speedwell to Martin Luther King to enhance pedestrian and bicycle safety along the .09 parcel of Patriot’s Path within the Town of Morristown**”. The project requires an easement from NJ Transit to traverse their property, adjacent to the Morris & Essex line tracks. Currently, a property survey is needed to establish the easement language for the project to move forward
 2. Councilman Stefan Armington to present to the MEC tonight providing a thorough overview on the history of the Federal Grant **Greater Morristown Greenway along Patriots Path Speedwell to Martin Luther King to enhance pedestrian and bicycle safety along the .09 parcel of Patriot’s Path within the Town of Morristown** Grant and the obstacles thus far.
 3. Update on the Town Engineers work with the Town’s Environmental Engineering firm to assess the report and feasibility for hydro-raking based on the quantitative analysis of the sediment in the pond. The Town Engineers will be taking the next steps to initiate the hydro-raking at Foote’s Pond.
 4. An assessment of the riparian zone and invasive species at Burnham Pond was performed last week and will be forthcoming at the next MEC meeting.
 5. MEC Newsletter moved to Fall. MEC Newsletter Committee to provide DRAFT at September or October 2019 MEC meeting.
