Mayor’s Message

Happy May! Thank you to everyone who attended the Morristown Cleanup this past Saturday. I was proud to see so many families, friends, and neighbors working together to make Morristown a better place for all of us.

This Saturday, we will be kicking off our annual Arbor Day Celebration at Pocahontas Park at 9:30 AM. Later this month, we will also be working to clean up the Pocahontas and Speedwell Lakes and preparing for the return of the Morristown Farmers Market in June. We will need all the help we can get to clean our lakes, so please consider volunteering with us on May 18. I hope to see you there!

- Mayor Timothy Dougherty

Annual Mayor's Lakeside Cleanup

Mayor Tim Dougherty and the Morristown Environmental Commission cordially invite the residents of Morristown to volunteer for the clean-up of Pocahontas & Speedwell Lakes. Due to periodic low water levels, both lakes have accumulated litter and debris and all are welcome to join in this community clean up.

Saturday, June 1
9 a.m. - 1 p.m.

Meet at the waterfall area of Speedwell Lake at 9 a.m. to receive a designated area of the lake for clean up. Volunteers will be provided with gloves and garbage bags. Children must be over 8 & accompanied by an adult. All children are welcome to join us for lunch following the clean up.
The Morristown Police Department recently announced a new surveillance camera registration program called Virtual Crime Watch. The goal of this program is to create a safer Morristown through partnership with our neighborhood residents and business owners. The program is entirely free of charge, voluntary, and any information gained will be strictly for the use of the Morristown Police Department.

By registering your security camera system with the Morristown Police Department, it will enable our Officers and Detectives to more easily identify any camera systems that may have captured criminal activity or potential criminal suspects. The decision to allow an Officer or Detective of the Morristown Police Department review your footage or to provide a copy of the footage is entirely up to you. By registering for the Virtual Crime Watch program, you are by no means required to provide any surveillance footage. However, the information you provide has the potential to be invaluable to a criminal investigation!

Interested persons can learn more and register cameras by visiting www.town-ofmorristown.org/police and clicking on the Virtual Crime Watch Program Link or by emailing virtualcrimewatch@town-ofmorristown.org.
