Dougherty has issued an Executive Order directing all Morristown retail food establishments, with and without a liquor license, from serving food or alcohol within their establishments. Food establishments will be permitted to conduct food takeout and food delivery service only. The Executive Order takes effect Monday, March 16, 2020 at 12:00p.m. and shall remain in effect until further notice.

The intent of this measure is to prioritize the health and safety of our residents by limiting large gatherings and reinforcing social distancing. The Town encourages our residents to continue to take every measure possible to reduce the spread of this virus including hand washing and surface sanitization in addition to social distancing.

The Mayor will continue conversation with the business community over the next 72 hours to evaluate effectiveness of this order and discuss the best means for our business community to work with the Town to support our collective efforts to slow to spread of COVID-19.
