Temporary Food License Holders Reminders

Dear Temporary Food License Holders:

Please review and be familiar with the requirements set forth in the health code (Chapter 24) that will be used for Health inspections. You may view the code at:

http://www.statenj.us/health/eoh/documents/chapter24_effective_1207.pdf

A hard copy is available from the Town of Morristown Health Division at a charge of \$15.00.

In addition, please adhere to the following:

- Photo ID and Temporary Food License placard must be available upon request by Town's officials
- All foods, including ice & water come from approved sources
- Proper hand washing & sanitizing methods on site
- Those handling/preparing foods must have water, soap and paper towels. When dealing with meat, poultry, fish or other hazardous foods, facilities must have a water jug with faucet handle for dispensing water. In addition, a pail to catch running water. Used water must be collected and removed (Not to be dumped on the ground)
- All others are to have hand sanitizer.
- All vendors are to have sanitizing wipes for cleaning contact areas.
- Any food displayed or self-service is to be protected from external contaminations.
- Gloves must be in use
- Operator shall not handle food and money at the same time
- Thermometers are to be on hand for checking
- All hazardous food is to remain within safe temperature

Inspection will be executed and penalties assessed for failure to comply. If you have any further question please feel free to contact Division of Health.

Thank you for your cooperation,

Yen Truong,
REHS
