Attach additional sheets and reports from haulers as appropriate.
As per Town of Morristown Ordinance O-7-2008 this form must be submitted by mail or fax not later than January 31 of each year to:

Municipal Recycling Coordinator
Town of Morristown
200 South Street
P O Box 914
Morristown, New Jersey 07960
Fax: (973) 292-6671

The information provided in this report will be included as part of the Municipal Tonnage Report filed annually by the Town of Morristown with the New Jersey Department of Environmental Protection, Recycling Bureau in Trenton.

Your support for recycling in Morristown is greatly appreciated. Should you have any questions concerning our program or would like to learn ways that you might improve your existing recycling program, please call 973-644-4382 or 973-292-6670.

Thank-you for helping to keep Morristown Clean & Green!

This application is available online at www.townofmorristown.org
Application for Exemption from Source Separation
This application must be filed if recyclable materials are NOT separated on-site.

Pursuant to Section 19-7.2.B. of the Code of the Town of Morristown, the undersigned hereby requests that the Town of Morristown governing body grant an exemption from the source separation requirements of Ordinance O-7-2008, which requires persons generating municipal solid waste to source separate from the municipal solid waste stream the specified recyclable materials.

By signing this application, the applicant certifies that the requesting entity has otherwise provided for the recycling of all designated recyclable materials in the manner described in attachments to this application.

Name of Entity:
Address:
Block: Lot:
Name of the person making application:
Official Title:
Phone:
Signature:
Date:

Name of the contractor or facility responsible for recycling the designated recyclable materials that are not source separated:
Address:
Name of Contact Person:
Title of Contact Person:
Telephone number of Contact Person:

The following information must be attached to this application:
1. Certification that designated recyclable materials have been and are currently being recycled.
2. Description of method of recycling.
3. Annual Tonnage Report for each designated recyclable material.
